Plaintiff Petition for the Appointment of Counsel

1. I, the Plaintiff Terek R. Downing, requests the appointment of counsel to represent me in Downing v. The above parties et al, C.A. NO. 05-568 SLR a Civil action in the United States District Court for the District of Delaware, for the following reasons:
 1. I am not a member of the Bar and my ~~knowledge~~ knowledge of the law is very little. All I know is that I was wronged and I need some help. All I can tell you is what happened, but when all of the legal talk starts and motions are filed, I'm no match for the defendants legal counsel.
 2. There are things that A Counsel can do that I can't, such as Depositions. And when the Discoveries are complete, there will be alot of people who will have to be interviewed and investigated. And I'm in no position to do neither.
 3. I asked the court to understand my situation and rule in favor for appointment of Counsel.
